**TD Sheet CS154 rev. 9/26/07**

- Description:** METALUX 2™ Anti Silicon Solution has been formulated to eliminate fish eyes. It can be added to METALUX 2™ 2K Topcoats when required.
- Product:** Anti Silicone Solution 2008
- Mixing Ratio:** Add 1 cap full per 1.5 mixed liter.  
\* **Warning:** It is best to first eliminate the source of contamination if possible. Use Anti Silicone Solution only when absolutely necessary. Excessive use will affect the entire work environment and paint area.
- Health & Safety:** Refer to text on label. Is a skin and eye irritant. In case of accidental contact with the skin or eyes, rinse immediately with plenty of water and seek medical attention. Store in a cool place and keep out of reach of children. Keep container closed when not in use.
